

(3) Upon the determination of the Office of the Inspector General that a claim is based in whole or in part on conduct in violation of the antitrust laws, or involves fraud, the presentation of a false claim, or misrepresentation on the part of the debtor or any party having an interest in the claim, the Secretary shall promptly refer the case to the Department of Justice for action.

(b) *Exception in the account of an accountable official.* The standards in this part do not apply to compromise of an exception in the account of an accountable official.

(c) *Interagency claims.* This part does not apply to claims between Federal agencies. The Department will attempt to resolve interagency claims by negotiation in accordance with EO 12146.

**§ 30.4 Compromise, waiver, or disposition under other statutes not precluded.**

Nothing in this part precludes the Department from disposing of any claim under statutes and implementing regulations other than subchapter II of chapter 37 of Title 31 of the United States Code and the Federal Claims Collection Standards, 31 CFR parts 900 through 904. Any statute and implementing regulation specifically applicable to the claims collection activities of the Department will take precedence over this part.

**§ 30.5 Other administrative remedies.**

The remedies and sanctions available under this part for collecting debts are not intended to be exclusive. Nothing contained in this part precludes using any other administrative remedy which may be available for collecting debts owed to the Department, such as converting the method of payment under a grant from an advancement to a reimbursement method or revoking a grantee's letter-of-credit.

**§ 30.6 Form of payment.**

Claims may be paid in the form of money or, when a contractual basis exists, the Department may demand the return of specific property or the performance of specific services.

**§ 30.7 Subdivision of claims.**

Debts may not be subdivided to avoid the monetary ceiling established by 31 U.S.C. 3711(a)(2). A debtor's liability arising from a particular transaction or contract shall be considered a single debt in determining whether the debt, exclusive of interest, penalties and administrative costs, does not exceed \$100,000, or such higher amount as prescribed by the Attorney General for purposes of compromise, or suspension or termination of collection activity.

**§ 30.8 Required administrative proceedings.**

This part does not supersede, or require omission or duplication of administrative proceedings required by contract, or other laws or regulations. See for example, 42 CFR part 50 (Public Health Service), 45 CFR part 16 (Departmental Grant Appeals Board), and 48 CFR part 33 (Federal Acquisition Regulation) and part 333 (HHS Acquisition Regulation).

**§ 30.9 No private rights created.**

The standards in this part do not create any right or benefit, substantive or procedural, enforceable at law or in equity by a party against the United States, the Department, its officers, or any other person, nor shall the failure of the Department to comply with any of the provisions of this part be available to any debtor as a defense.

**Subpart B—Standards for the Administrative Collection of Debts**

**§ 30.10 Collection activities.**

(a) *General rule.* The Secretary shall aggressively and timely collect all debts arising out of activities of, or referred or transferred for collection actions to, the Department. Normally, an initial written demand for payment shall be made no later than 30 days after a determination by an appropriate official that a debt exists.

(b) *Cooperation with other agencies.* The Department shall cooperate with other agencies in their debt collection activities.

(c) *Transfer of delinquent debts—(1) Mandatory transfer.* The Department shall transfer legally enforceable debts
